Merry Christmas !

Little Star Basics Preschool is genuinely committed to the success of your child's early education. Keeping in mind that every child is unique and learns at a different pace, our staff encourages and teaches your child to focus and to be responsible when completing his or her task. To ensure a fruitful development process, we advocate for a strong support system at home that helps build a foundation to make school more enjoyable for your child. Be confident to know that your child is growing as an individual and learning many key lifelong skills at our school. We are very excited to be partnering with you on your child's journey towards higher cognitive, social, emotional, and language developments.♥
