Basics Preschool is genuinely committed to the well-being and success of your child's early education.

There will be daily adhering to the safety protocols set by the Community Care Licensing Department which includes: daily fever monitoring, sanitizers/hand washing, masks to be worn by parents & teachers.

Keeping in mind that every child is unique and learns at a different pace, our staff encourages and teaches your child to focus and to be responsible when completing his or her assigned work packet. To ensure a fruitful development process, we advocate for a strong support system at home that helps build a foundation to make school more enjoyable for your child. Be confident to know that your child is growing as an individual and learning many key lifelong skills at our school.

We are very excited to be partnering with you on your child's journey towards higher cognitive, social, emotional, spiritual, and language developments.
