## Our Commitment:

We highly encourage that each of us take a part in keeping everyone safe by keeping their child home when he or she feel a bit under the weather. We are excited to be partnering with you on your child's journey towards higher cognitive, social, emotional, spiritual, and language developments. Keep in mind that every child is unique and learns at a different pace! My promise is that your child will be treated and with fairness, and guided with 'love' and respect.
